

**REACT! — SAVE THE
EARTH!**

Erasmus+

An aerial photograph showing a vast, dense field of discarded waste, including plastic bags, food scraps, and other debris. In the lower-left quadrant, a person is seen from above, wearing a green shirt and dark pants, actively sorting through the trash. A blue bucket is placed on the ground near the person. The overall scene conveys a sense of environmental pollution and waste management challenges.

ENVIRONMENT POLLUTION

AIR POLLUTION

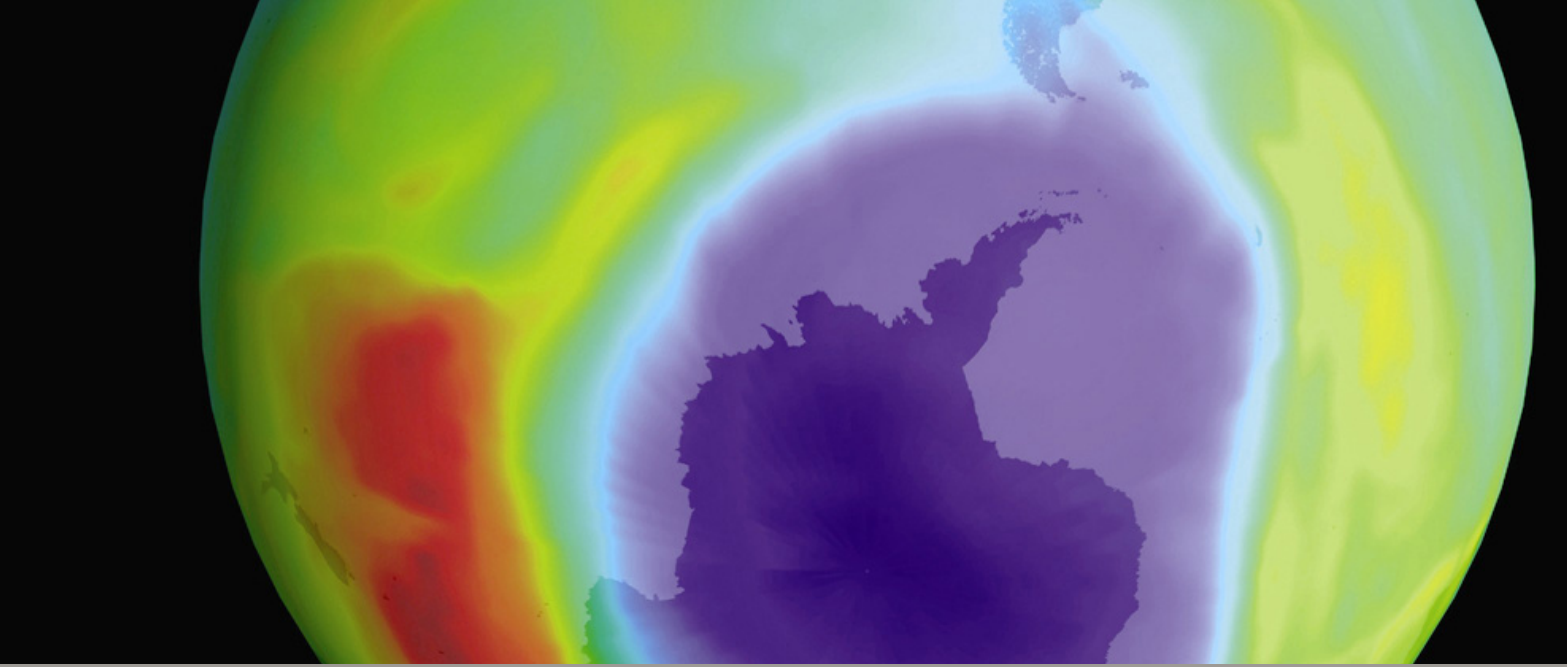

WATER POLLUTION

A dense, chaotic pile of various plastic waste items, including clear and colored plastic bottles, caps, and containers, illustrating soil contamination. The items are scattered across the frame, with some recognizable brands like 'alpro' and 'mosa' visible. The overall scene is a visual representation of environmental pollution.

SOIL CONTAMINATION

THE EFFECTS OF ENVIRONMENTAL POLLUTION

- Ozone hole
- Global warming
- Smog
- Acid rain
